

OTHM Level 3 Foundation Diploma in Accountancy (RQF)

Overview

The objective of the Level 3 Foundation Diploma in Accountancy is to provide students with a foundation in Accountancy and financial management that can be transferable across many different industries. This course is designed to ensure that learners are equipped with core knowledge of Accountancy, skills to adapt to rapid change, and that learners get the best progression opportunities possible.

Successful completion of this course provides the students with opportunities to progress further within their organisation or proceed to higher levels of study.

Duration and Delivery

This course is designed to be completed over six months of full-time study. However, as we provide flexible online delivery, you can (with hard work) get this course completed in as little as 2 months. The qualification is delivered through our Virtual Learning Environment.

Assessment and Verification

All units within this course are internally verified by our internal assessors and externally verified by OTHM. This course is criterion-referenced, based on the achievement of specific learning outcomes. To achieve a "PASS" for a unit, a student must show that they meet the learning outcomes and assessment criteria set by OTHM.

Equivalences

The practical skills, knowledge, competences, and capabilities taught in this course are comparable in academic terms as being equivalent to GCE AS/A Level.

Eligibility Criteria

For entry into this course, students must meet the following criteria:

- OTHM Level 3 Diploma can be offered to students from age 16. We do not specify entry requirements for such qualifications.
- We ensure that students admitted to the program have enough capability to undertake the assessment and learning criteria.
- This qualification is offered in English.

Progression

The successful completion of this qualification provides the opportunities for academic progression to a broad range of undergraduate level programmes including the **OTHM Level 4 Diploma in Accounting and Business**.
